## **BRYN MCCASHIN,**

### **Director of Photography**

<https://www.brynmccashin.com>

Cinematographer Bryn McCashin hails from Vancouver, British Columbia. Bryn's work has been premiered at festivals including Sundance and SXSW and online publications such as Shots, Booooooom, Vimeo Staff Picks, and Director's Notes.

Bryn has received recognition from many national and international Award shows and Festivals. A spec commercial for Levi's picked up a cinematography award at the 2022 Berlin Commercial Advertising Awards and 2022 Applied Arts Awards. His narrative work has also received multiple accolades; Short film *Limbic* (2021), garnered a silver award at the Berlin awards, a webby nomination and was featured as a Vimeo Staff pick. It was followed by a short film that same year, *Omi*, which found success as an official selection at SXSW, going on to win a Special Jury Recognition Award and ultimately getting picked up by Hulu streaming service.

Bryn's first feature film *My Animal*, with Director Jacqueline Castel, Producers Andrew Bronfman and Michael Soloman, Starring Bobbi Muenez and Amandla Stenberg is premiering at Sundance Film Festival 2023, and was acquired for worldwide distribution by Paramount Pictures.
